

## JUNE 2026 NEWSLETTER

In the blink of an eye, we find ourselves in the last month of the first semester. With only a few games remaining, the competition standings are taking shape and every point counts. Keep an eye on the results to see whether you are still in contention.

The SANDF Championships recently took place in Port Shepstone, and we congratulate Capt Kriger, Capt Ncanana, Maj Butterworth, WO1 Scritten and CPO Taljaard, who proudly represented our club at the championships.

A word of appreciation goes to our Treasurer, who worked tirelessly behind the scenes to ensure that **all affiliation fees for full members were paid**. You can now swipe your HNA card without hesitation, knowing everything is in order. The total amount paid per member was R993.26, made up as follows: HNA (R248.00), WPGU (R423.02), GolfRSA (R234.36), and for serving members a SANDF capitation fee of R100.00.

Members interested in **development coaching** should speak to their representative. Names can be submitted for coaching by Neville Solomons.

For the remainder of the year, winners at IPS (LIV) games **must attend prize-giving** to receive their vouchers. If a winner is not present, the voucher will be forfeited. In Betterball competitions, at least one member of the winning team must be present to receive the prize money.

**Winter course conditions may result in fixture changes**, which will be communicated as soon as information is received from the Match Secretary.

Preparations for our year-end awards function have already started. Members are requested to contribute **R200 per person** towards a gift box (optional, although we encourage it), and down payments are welcome, for example **R50 per month until October** to make things a little easier on the wallet. Contributions should be made in cash and handed to Dee in an envelope clearly marked with your name, the amount enclosed, and **2026 Awards Function**. Further information regarding spouses and partners will be communicated at a later stage.

Now for the fun part. During your round, snap a pic or two. That near hole-in-one moment, your 4-ball in full swing, wildlife doing its thing, or the course showing off its hazards like it owns the place. Send it via **WhatsApp to the Secretary**. It might just land up on Facebook or even feature in our gallery (currently under construction) on the website. Every round has a story, and every photo helps preserve the memories that make this golfing year one to remember.

**Get to Know Your Fellow Golfer** feature continues. While there is currently no fixed publication day on Facebook, updates will be communicated via WhatsApp.

Yours in Golf,  
The Committee
